In addition, they currently provide the Storehouse service, offering clothes and other items to people in need. This is currently based in Stacey Bushes and they are looking to open another base on Netherfield. The funding for creation of suitable space, etc. is already in place.

Their funding request is to support the employment of a project worker to facilitate the development of all aspects of their work locally – the total cost of this employee is £32,439, with around £9,600 already raised, leaving just under £23,000 to find.
